

# Van Zant, My Kind Of Country

I like to speak my mind  
Say grace at supper time  
I'm just a dot on the map  
Ain't scared to take a stand  
For this little piece of land  
Don't make me take you out back

Tattoos, sweet tea, NASCAR Sunday  
Hard hat, head back to work on Monday

My Kind of Country  
Little League, Bass boats, and good clean fun  
That's my kind of country  
Roots run deep as they come  
In my kind of country

Im from by the old school  
Live by the golden rule  
Ain't no strangers round here  
I like the simple life  
Sit a spell, have a bite  
Honey get that man a beer

Cornbread, Collard Greens, Mama's fried chicken  
Blue jeans, work boots, I'm still kickin'

My Kind of Country  
Football, four-wheelin', good clean fun  
That's my kind of country  
Roots run deep as they come  
In my kind of country  
Yeah that's my kind of country

We got Johnny Cash - back in black  
Southern Rock N' Roll  
.38

My Kind of Country  
Camoflaug, Huntin' dogs, good clean fun  
That's my kind of country  
Roots run deep as they come
