

Van Zant, My Kind Of Country

I like to speak my mind
Say grace at supper time
I'm just a dot on the map
Ain't scared to take a stand
For this little piece of land
Don't make me take you out back

Tattoos, sweet tea, NASCAR Sunday
Hard hat, head back to work on Monday

My Kind of Country
Little League, Bass boats, and good clean fun
That's my kind of country
Roots run deep as they come
In my kind of country

Im from by the old school
Live by the golden rule
Ain't no strangers round here
I like the simple life
Sit a spell, have a bite
Honey get that man a beer

Cornbread, Collard Greens, Mama's fried chicken
Blue jeans, work boots, I'm still kickin'

My Kind of Country
Football, four-wheelin', good clean fun
That's my kind of country
Roots run deep as they come
In my kind of country
Yeah that's my kind of country

We got Johnny Cash - back in black
Southern Rock N' Roll
.38
SKYNYRD
TURN UP THAT RADIO!

My Kind of Country
Camouflage, Huntin' dogs, good clean fun
That's my kind of country
Roots run deep as they come
My Kind of Country
Backyard Barbeque - Get you some
That's my kind of country
Roots run deep as they come
In my kind of country

Oh, on the Fourth of July - Salute the Flag
That's my Kind of Country
