

Vanessa Amorosi, Heroes Live Forever

You are the light that shines in everyone
The truth that's there for all to see
You are the voice that speaks to everyone
You're the heroes we'd all like to be

You live the dreams that lie within our soul
With a passion that cannot be denied
You bring the whole world together as one
And we'll always be by your side

And all the world will join in celebration
And all the world will share the joy you bring
And all the power the hope and inspiration
In all their glory the nations all will sing

Heroes live forever
Heroes live forever
Always we'll remember
Heroes live forever

Since the dawn of history
(Since the dawn of history)
In searching for our destiny
(In searching for our destiny)
To be the best that we can be
(To be the best that we can be)
Heroes...

Heroes live forever
Heroes live forever
Always we'll remember
Heroes live forever

Heroes live forever
Heroes live forever
Always we'll remember
Heroes live forever...
