

Vanessa Amorosi, Steam (Australian Version)

(Steam)
(Steam)
Oh, steam
You know it's steam

It's now been 15 days
Since you've been steamed at me
And I don't want
Your frustration and your madness
pushed and blamed on me
Cause you're crazy for the day
And you're crazy for the night
And what the hell, you've been crazy for your life
And I don't want people thinking
I'm not treating you right

CHORUS

It's the Nature of it
Steam
When you're saying those things
That you don't really mean
You can blame it on the rain
You can blame it on the heat
It's the nature of it
Steam

I have my morals
And I have decent respect
For our relationship
I'm hope that you are doing all your best
Well I'm not so great
But I'm better in other ways
You can't see it but I'm trying anyway
It's the nature of the game
That's what I claim

REPEAT CHORUS x2

You seem to put it all by me
The sky, your health, your dreams
And your beliefs
And I seem to protect and respect everything
Too naturally

RAP

Nature calls, where ya gonna be
I know you're mad at the things that I did
But you need to wisen up if you want to stay in love
Making up is still the best part, open up your heart
The grass is green and the sky is blue
And the middle of my soul is in love with you
You see my point, it's all about steam
Take my hand and let's walk to the land of dreams

(steam)

More days, more days
I'm steamed in every way
I said no way, no way
I'm steamed in every way
You can blame it on the rain
You can blame it on the heat
It's the nature of it
Steam

REPEAT CHORUS x1

More days, more days
I'm steamed in every way
I said no way, no way
I'm steamed in every way
I said more days, more days
I'm steamed in every way
I said no way, no way
This is where I stay
