

# Vanessa Amorosi, Steam (Australian Version)

(Steam)

(Steam)

Oh, steam

You know it's steam

It's now been 15 days  
Since you've been steamed at me  
And I don't want  
Your frustration and your madness  
pushed and blamed on me  
Cause you're crazy for the day  
And you're crazy for the night  
And what the hell, you've been crazy for your life  
And I don't want people thinking  
I'm not treating you right

CHORUS

It's the Nature of it

Steam

When you're saying those things

That you don't really mean

You can blame it on the rain

You can blame it on the heat

It's the nature of it

Steam

I have my morals  
And I have decent respect  
For our relationship  
I'm hope that you are doing all your best  
Well I'm not so great  
But I'm better in other ways  
You can't see it but I'm trying anyway  
It's the nature of the game  
That's what I claim

REPEAT CHORUS x2

You seem to put it all by me  
The sky, your health, your dreams  
And your beliefs  
And I seem to protect and respect everything  
Too naturally

RAP

Nature calls, where ya gonna be  
I know you're mad at the things that I did  
But you need to wisen up if you want to stay in love  
Making up is still the best part, open up your heart  
The grass is green and the sky is blue  
And the middle of my soul is in love with you  
You see my point, it's all about steam  
Take my hand and let's walk to the land of dreams

(steam)

More days, more days  
I'm steamed in every way  
I said no way, no way  
I'm steamed in every way  
You can blame it on the rain  
You can blame it on the heat  
It's the nature of it  
Steam

REPEAT CHORUS x1

More days, more days  
I'm steamed in every way  
I said no way, no way  
I'm steamed in every way  
I said more days, more days  
I'm steamed in every way  
I said no way, no way  
This is where I stay
