

Vanessa Amorosi, Turning Up The Heat

verse 1:

love wasn't meant to be
easy without a care
and this love will be hard to keep
from a distance without turning cold

pre-chorus

tell me what you think about us
tell me how you're feeling when you're lost
always sitting down
but with you i've always found i was free

chorus:

if it's up to you
i want it up to me
our fighting's always been, so good
and always turning up the heat
if it's up to you
i want it up to me
our fighting's always been, so good
and always turning up the heat

verse 2:

time had never been a loss
the same with the days
that never end
and life could never seem to stop
unless you fail to be there once again,
once again

repeat pre-chorus

repeat chorus

bridge:

you've got the keys to my front door
we share each others life and more
but when you get yourself mad and go to leave
i don't try to make things easy
i said put your bags on the ground
sit back down on the couch
this is love we will work it out
fighting is what we're all about
turn up and turn up and turn up the heat

repeat chorus (x2)
