

# Vanessa Carlton, In Love With You

I cannot help it  
I couldn't stop it if I tried  
The same old heartbeat  
Fills the emptiness I have inside  
And with it you can't fight love so I won't complain  
So why would I stop the fire that keeps me going on

Cause when there's you I feel whole  
And there's no better feeling in the world  
Without you I'm alone  
And I'd rather be in love..ohh

Turn out the lights now  
To see is to believe  
I just want you near me  
I just want you here with me  
And I'd give up everything only for you  
It's the least that I could do

And when there's you I feel whole  
And there's no better feeling in the world  
Without you I'm alone  
And I'd rather be in love..ohh  
I'd rather be in love with you

Feel you holding me  
Why are we afraid to be in love..to be loved  
I Can't explain it I know it's tough..to be loved  
And I feel you holding me

OH ohhh And when there's you I feel whole  
And there's no better feeling in the world  
Cause without you I'm alone  
And I'd rather be in love..ohh  
I'd rather be in love yes I'd rather be in love  
Ow I'd rather be in love with you

Feel you holding me
