

# Vanessa Carlton, Meggie Sue

Floating down  
An endless river  
Passing dive  
Touching whatever  
Never knowing where you're going but still living every  
Moment that counts  
Stand and linger to see  
Meggie Sue is free  
Don't speak  
She just wants to be

Over waves  
Up and down  
Does not matter  
She lives unbound  
Consequences pose no threat for she is rising and not  
Looking down

Stand and linger to see  
Meggie Sue is free  
Don't speak  
She just wants to be

Stand and linger to see  
Meggie Sue is free  
Don't speak  
She just wants to be
