

Vanessa Carlton, Prince

Willing and able to run

I am

Willing and able I'm able to come (2x)

And if I wait for you now

Would you come

Would you run

Would you bring it back around

Oh, baby how (2x)

Willing and able to run

I am

Willing and able I'm able to come

If it all went away

Nothin' left to say

oh Would you fight it or would you lay down

At the hand of your God oh could you see the light

Oh my prince can't you see what's been found

Willing and able to run

Willing and able to come

willing and able to run,

I am willing, I am willing,

willing,willing.

Willing and able to run

I am

Willing and able I'm able to come(2x)

And if I wait for you now

Would you come

Would you run

Would you bring it back around

Oh, baby how (2x)

Willing and able to run

I am

Willing and able I'm able to come(2x)
