

# Vanessa Hudgens, Don't Leave

I don't know what I'd do if I ever lost you  
And all the loneliness i would go through  
But if you wanna leave I won't stop you

I've been gone so long  
I'm used to feelin' alone  
I estimated our love  
My estimation was wrong  
See I never knew what you were goin' through  
But I've just got back  
Now I see where you're at  
How could you tell that I would ever be distracted by  
any other guy no matter if he ever caught my eye?  
We just need time  
Some time to connect  
What I'm tellin' you now  
Hope you never forget it

I don't know what I'd do if I ever lost you  
And all the loneliness I would go through  
But if you wanna leave I won't stop you  
Coz I don't want you if you don't want me to be the one  
The only one you wanna run to  
Baby boy you know I've just begun to realize what's important to me  
So don't leave  
Don't leave

Maybe I shoud have tried to put your needs first but my priorities were messed up and I know you g  
See I never knew what you were going through  
But i just got back  
Now let's see where you're at  
Think about it  
Take a moment just to rewind  
Everything that you believe and everything that was right  
Do you really want to stand there and tell me goodbye  
When I'm sayin' I still love you?

I don't know what I'd do if I ever lost you  
And all the loneliness I would go through  
But if you wanna leave I won't stop you  
Coz I don't want you if you don't want me to be the one  
The only one you wanna run to  
Baby boy you know I've just begun to realize what's important to me  
So don't leave  
Don't leave

Lonely days and lonely nights  
That's where you'll be without me by your side  
Better think twice, baby  
This could grow up crazy, you know  
I can't keep sayin' my secret cause it's out of control  
I gave you everything: Body, mind, heart and soul  
But you keep breaking me, taking me to another low  
Don't do it baby  
Don't do it  
Don't let me go

I Don't know  
I Don't know

I don't know what I'd do if I ever lost you  
And all the loneliness I would go through  
But if you wanna leave I won't stop you  
Coz I don't want you if you don't want me to be the one

The only one you wanna run to  
Baby boy you know I've just begun to realize what's important to me  
So don't leave  
Don't leave

Baby boy, Don't leave
