

# Vanessa Hudgens, Last Night

&lt;!Na na na na na na  
Na na na na na na  
Na na na na na na

All I want is to be a part o your weekend  
All I need is a little bit o your time  
Baby, Im your girl and I need some attention  
When you ignore me I just lose my mind

I ain't gon' bug about you going out last night  
Though, baby I know that I'm the only one in your side  
But please don't tell me nothin'

I don't wanna know what you did last night  
I don't wanna hear that you had a good time  
I don't wanna know \_\_\_\_\_ or lie  
I don't wanna feel like I had to be there  
I Dont wanna know about the other girls there  
I Just wanna know when youre around youre mine

Na na na na na na  
Na na na na na na  
Na na na na na na

I dont think that Im being obsessive  
I dont think that Im being out of line  
You had your space and I get to be selfish  
You get yours baby, and I get mine

Im doing just fine as long as we see eye to eye (you with me?)  
And no no, aint nothing wrong with going out and having a good time  
But I dont wanna know nothin

I don't wanna know what you did last night  
I don't wanna hear that you had a good time  
I don't wanna know \_\_\_\_\_ or lie  
I don't wanna feel like I had to be there  
I dont wanna know about the other girls there  
I Just wanna know when youre around youre mine

I can \_\_\_you, Ill meet someone new  
Baby, got my mind gone wild  
I know your love is true, but whats a girl to do  
All I need is a sign (just give me a sign)  
I get jealous, oh so jealous  
Oh, I get jealous  
Dont mess me up with whatever is down

I don't wanna know what you did last night (oh I know I dont know)  
I don't wanna hear that you had a good time (I dont wanna hear about it)  
I don't wanna know \_\_\_\_\_ or lie (whooo)  
I don't wanna feel like I had to be there (dont wanna feel it)  
I dont wanna know about the other girls there  
I Just wanna know when youre around youre mine

Na na na na na na  
Na na na na na na  
Na na na na na na

Oh baby

Na na na na na na  
Na na na na na na

Na na na na na na --&gt;
