

Vanessa Hudgens, Rather Be With You

He sendz a frend
2 ask me if I'm interested
I c u comin my way wiv a smile
u say He'z the guy, you caught hiz eye
But he'z afraid 2 cum over he'z a lil shy so,
y dont u cum talk for a while?
But I c ur smile baby
da messenger mite take da prize
And u c da luk in my eyez

(Chorus)
I'd rather be with u, baby
u know wat u're doin 2 me
u're the 1, da only 1
dat sets it all on fire
Yeah u, baby
(and I can c u want 2 be wiv me)
Yeah u know wat I'm sayin iz true
I'd rather be wiv u

It's u and me
But den u call him over
And ur buddy makes 3
I know u're just tryin 2 do rite
A glance, a tuch
Try not to stare just a lil 2 much
Baby, it'z impossible to fite
Best ov intentions
Do u really wanna giv me away
I'll take dis moment 2 say

(Chorus)

It'z only time
I'll make u mine
u know u can't deny me
Come a lil closer baby
And tell ur frend
dat I'm not really interested
There iz nothing more dat u can do

(Chorus)"
