

Vanessa Hudgens, Start Of Something New

(Zac Efron)

livin' in my own world
didn't understand,
that anything could happen
when you take a chance

(Vanessa)

I never believed in,
what I couldn't see
i never opened my heart
oohhh
to all the possibilities
oooooooo

(together)

i know that something
has changed
never felt this way
and right here tonight,
This could be the...
Start of something new
it feels so right to be here with you
and now im lookin' in your
eyes i feel in my heart
The Start of Something New

(together)

i know that something
has changed
never felt this way
the start of something new,
the start of something new,
The Start of Something New
i feel in my heart

(chorus)

its the start of something new,
it feels so right
to be here with you
oooooooo
and now im lookin'
in your eyes
i feel in my heart
that its the start of something new
it feels so right
to be here
with you and now
im lookin' in your
eyes i feel in my heart
the start of something new,
the start of something new,
The Start of Something New
