

Vanessa Hudgens, Vulnerable

When I think about you and me
I get a little weak in the kness
I feel the flutter of a butterfly
Sometimes I can hardly breathe

So baby... (Baby)

Hold me now (Hold me, Hold me now)
I can't tell if I am lost or found ('Cause I'm living in a dream and I don't want to wakeup, wake up)
And I don't know how to let you in (Don't know, Don't know)
Or let you go, I'm so vulnerable
Hold me now (Hold me)
Please baby don't let me go ('Cause I'm living in a dream and I don't want to wakeup)
I know for sure that you're the cure
(Coming down with a case of 'I love you more', I don't want to be vunerable)

When it comes to this book of us
I think it's time now to turn the page
But I don't want to say I love you first
But my heart it can't hardly wait

So baby... (Baby)

Hold me now (Hold me, Hold me now)
I can't tell if I am lost or found ('Cause I'm living in a dream and I don't want to wakeup, wakeup)
And I don't know how to let you in (Don't know, Don't know)
Or let you go, I'm so vulnerable
Hold me now (Hold me)
Please baby don't let me go ('Cause I'm living in a dream and I don't want to wakeup)
I know for sure that you're the cure
(Coming down with a case of 'I love you more', I don't want to be vunerable)

I don't want to see you hurt
Don't you worry baby girl
Take my hand, understand I'm afraid
To tell you the very worst that you want to hear me say (Wake up)

When you say it here tonight
Will you mean it for life
Will you tell me everything that your heart is really feeling for me?

So I, (So I)
Won't be...

(Vulnerable)

('Cause I'm living in a dream and I don't want to wakeup, wake up)
And I don't know how to let you in (Don't know, Don't know)
Or let you go, I'm so vulnerable
Hold me now (Hold me)
Please baby don't let me go ('Cause I'm living in a dream and I don't want to wakeup)
I know for sure that you're the cure
(Coming down with a case of 'I love you more', I don't want to be vunerable)
