

Vanessa-Mae, Destiny

If it is written in the stars, then it can be read
For this is prophecy
The future
A thousand million possibilities
Is it my destiny?

Destiny
I'll find you
In my dreams

Destiny
I'll find you
In my dreams
Eternity awaits
I'll find you
In my dreams

Destiny
I'll find you
In my dreams
Eternity awaits
I'll find you
In my dreams
