## Vanessa Paradis, Be My Baby

I saw you walk down the street

With some other girl

Always thought that I was the only one in your world

Baby can you tell me so

Out of sight out of mind ain't what love ought to be And I hoped all the time that you'd be faithful to me

Faithful to me

All I'm asking you for when you walk out the door

Is to be my baby, baby

I just want to be sure

That forever and more

You would be my baby

Love is just like a flower baby it has to grow

And when you are away I'm even loving you more

I just have to let you know

One on one is the way and that's the way it should be

So if you're not gonna stay

The don't be playing with me

You can set me free

All I'm asking you for when you walk out the door

Is to be my baby, baby

'Cause all this love is for you

And you know that I'm true

And I'll be your baby

All I'm asking you for when you walk out the door

Is to be my baby, baby

'Cause you knew from the start

That you were working my heart

Won't you be my baby

I remember our walk the other Saturday night

Sweet harmonies filled and floated through our minds

Never felt this way before

We were riding so high an love and understanding

So why go wasting your time when you have got such a find

That is everlasting

All I'm asking you for when you walk out the door

Is to be my baby, baby

I just want to be sure

That forever and more

You would be my baby

All I'm asking you for when you walk out the door

Is to be my baby, baby

'Cause all this love is for you and you know

That I'm true

And I'll be your baby

And I want you to love me baby.
