

# Vanessa Petruo, Father

I healed myself when church was closed  
I tried to grab what I could hold  
but somehow I felt it was good  
Cause I knew  
You love me too  
I knew you hold me in your hands  
Wasnt my footsteps in the sand  
And father I felt so good  
Cause I knew  
I always knew  
you love me too  
I always knew you love me too  
You know I cried so many tears  
I talked to you to lose my fears  
And somehow I felt it was good  
Cause I knew cause I knew  
you love me too  
you love me too  
Father I thought it would never end  
And I didnt know what to do  
But then I saw you and I  
And I knew yes I knew you love me too  
Father I knew, you love me too  
Cause I felt so good, yeah...  
I knew... you love me... too
