

Vanessa Williams, Gracious Good Shepherd

Gracious Good Shepherd
Do you really know who I am?
Gracious Good Shepherd
Will you answer when I call your name?
Gracious Good Shepherd
You can hear confusion crying out
Gracious Good Shepherd
What little faith I have I am ashamed

I visualize an angel
All freezing and bitter cold
I cannot believe the love there
What heavenly sacrifice

Gracious Good Shepherd
If you hear me now, I love you so
Gracious Good Shepherd
Why for me?
Gracious Good Shepherd
You say you love the lost born
Gracious Good Shepherd
I believe that one is me

Some tell me the virgin birth is
A beautiful ancient tale
But you tell me God's constellation
Led all to the living well

Gracious Good Shepherd
If you hear me now, I love you so
Gracious Good Shepherd
Why, why for me?
Gracious Good Shepherd
Do you really know who I am?
Gracious Good Shepherd
Will you answer when I call your name?
Gracious Good Shepherd
These are different times, I'm sure you see
Gracious Good Shepherd
We need, you now
