

Vanessa Williams, Harvest For The World

All babies together
Everyone a seed
Half of us are satisfied
Half of us in need

Love's bountiful in us
Tarnished by our greed
Oh, when will there be
A harvest for the world

Yeah, yeah, yeah

A nation planted
So concerned with gain
As the seasons come and go
Greater grows the pain

And far too many
Feelin' the strain
Oh, when will there be
A harvest for the world

Yeah, yeah, oh, oh

When will there be
Gather every man
Gather every woman
Celebrate your lives
Give thanks for your children

Gather everyone (Gather everyone)
Gather all together (Gather all together)
Overlookin' none (Overlookin' none)
Hopin' life gets better for the world

Dress me up for battle
When all I want is peace
Those of us who pay the price
Come home with the least

And nation after nation
Turnin' into beasts
Oh, when will there be
A harvest for the world
For the world
For the world
For the world

When will there be a harvest
When will there be a harvest
When will there be a harvest
I wanna know now, now
When will there be a harvest {Harvest for the world}
When will there be a harvest {Harvest for the world}
When will there be a harvest {Harvest for the world}
A harvest, a harvest for the world
