

Vanessa Williams, Have Yourself A Little Merry C

Have yourself a merry little christmas
let your heart be light
From now on our troubles will be out of sight
Here we are as in all the days
have we gone in days of your

Faithful friends who adire to us
gotta near to us once more
To the years we'll always be together
if the fades allowed

Mmhh

Hang a shining star upon a highest bar
yeah eh yeah
and have yourself a merry little christmas now

Uh uh
Uh uh

Have yourself a merry little christmas
make the you tight gate
from now on our troubles will be miles away

Uh u Uh

Here we are as in all the days
have gone in days of your
Faithful friends who adire to us
gotta near to us once more

In the years we'll always be together
if the fades allowed

Yeah

Hang a shining star upon my highest bar
oh and have yourself a merry little christmas now

Yeah
Uh u Uh

A merry little christmas now

Merry christmas
and a happy new year
