## Vanessa Williams, Remember Me This Way

Every now and then we find a special friend

Who never lets us down

Who understands it all

Reaches out each time you fall

You're the best friend that I've found

I know you can't stay

But a part of you will never ever go away

Your heart will stay

I'll make a wish for you

And hope it will come true

That life will just be kind

To such a gentle mind

If you lose your way

Think back on yesterday

Remember me this way

Remember me this way

I don't need eyes to see

The love you bring to me

No matter where I go

And I know that you'll be there

For ever more a part of me you're everywhere

I'll always care

I'll make a wish for you

And hope it will come true

That life will just be kind

To such a gentle mind

If you lose your way

Think back on yesterday

Remember me this way

Remember me this way

And I'll be right behind your shoulder watching you

I'll be standing by your side in all you do

And I won't ever leave as long as you believe

You just believe...

CHorus:

I'll make a wish for you

And hope it will come true

That life will just be kind

To such a gentle mind

And if you lose your way

Think back on yesterday

Remember me this way
