

# Vanessa Williams, Work To Do

I can't wait to get home to you,  
I got so much work to do, work

I'm taking care of business baby can't you see  
I gotta make it for you, and I gotta make it for me  
Sometimes it might seem boy I'm neglecting you  
But I'd love to spend more time  
But I got so much to do

Ooh, I got work to do, I got work baby  
I got work to do, I got a job yeah  
I got work to do, said I go work to do

Oh I'm out here trying to make it baby can't you see  
It takes a lot of money to make it let's talk truthfully  
So keep your love light burning  
Oh you gotta have a little faith  
You might as well get used to me coming home a little late, oh

Ooh, I got work to do, I got work baby  
I got work to do, I got a job yeah  
I got work to do, said I got work to do  
I can't wait to get home to you  
I got so much work to do
