

Vangelis, So Long Ago So Clear

From Vangelis "Heaven And Hell"
"So Long Ago, So Clear" vocals by Jon Anderson

Once, we did run

How we chased a million stars
and touched as only one can

Once, we did play

How the past delivered you

Amidst our youth we'd dream away, away

As if I knew the words I'm sure you'll hear

Of how we met as you recall so clear

Once, we did love

Long ago how did I forget

Holding you so closely

Look, how I move

Chance would have me glance at you

To know how you move me, me

Oh barriers fall around us as we hear

Of memories known and met so long ago, so clear

(interlude)

Once, we did run

How we chased a million stars

And touched as only one can
