

# Vanilla, Cabernet

Cabernet Sauvignon  
Break of Day, drunk 'til dawn

Don't care if the party's over  
'Cause I wanna stay  
Can't stand  
But I can hold my Cabernet

Cabernet Sauvignon  
Sprinklers spray  
On the lawn

Don't care about work tomorrow  
Or what the neighbors say  
Can't stand  
But I can hold my Cabernet

When I drink it over  
The words get in the way  
When I drink it over  
I know (I know)  
But I can hold my Cabernet
