

Vanilla Ninja, Polluter

I will close my eyes and hide my face.
I don't want discrib to see,
those tears that running down my theeks.
I'm too ashamed to show I'm weak,
but after all I'm only a girl,
a human being who has a heart and
I have right to get emotional.

Ref:

I will slang the doors,
or shout at loud.
I'm the one who walks out of here proud.
you'r the one to lose,
you pefedic fool.
you words will pring me down,but thats all it does
you just polluter the air around me
disapear

I will close my ears, I don't need to hear,
what I am and what I'm not.
their not comfotaint to say such things,
guz they doun't know me after all,
but in the end I'm still ahead,
I get you do Just what I like.
I thought all this will bring smile back on my face

Ref:

I will slang the doors
or shout at loud
I'm the one who walks out of here proud
you'r the one to lose
you pefedic fool
you words will pring me down,but thats all it does
you just polluter the air around me
