

Vanilla Ninja, Tough Enough (Radio Edit)

Baby only the strong would survive
Over mysteries of life
Only fantasy keeps you away
In the
lonely fields of those broken shields

(Chorus)
So keep on kicking
The bomb is ticking
Don't
stop, don't be a runaway
Go for the fire
Baby are you tough enough
Just keep on living
And
don't start giving
The devil good reasons
To get you in the seasons of heartbreak
Baby are
you tough enough

(Baby are you tough enough)

Yeah my skin is a dangerous place
Never trust
my smiling face
With a touch I can change all your dreams
And my kiss can wake feelings you can't
take

(Chorus)

(Baby are you tough enough)
(Baby are you tough enough)

(Bridge)
I
will meet you there
coud I need you there
Oh tonight

(Chorus)

(Baby are you tough enough)
(Baby
are you tough enough)

(Chorus)

Baby are you tough enough
