

# Various, I Dont Need Anything But You

I have often dreamed of a far off place  
Where a bright warm welcome will be waiting for me  
And the crowds will cheer  
When they see my face  
And a voice keeps saying, this is where I'm meant to be  
I will find my way  
I can go the distance  
I'll be there someday  
If I just stay strong  
I know every mile  
Will be worth my while  
I will go most anywhere to find the place where I belong  
I am on my way  
I can go the distance  
I dont care how far  
Somehow I'll be strong  
I know every mile  
Will be worth my while  
I will go most anywhere to find where i belong  
I Will beat the odds I can go the distance  
I will face the world  
Fearless, proud and strong  
I will please the Gods  
Until I find my heros welcome right where i belong.
