

# Various, Love Song F

LIZA MINELLI

The sun comes up - I think about you  
The coffee cup - I think about you  
I want you so, it's like I'm losing my mind  
The morning ends - I think about you  
I talk to friends and think about you  
And do they know it's like I'm losing my mind?  
All afternoon doing every little chore  
The thought of you stays bright  
Sometimes I stand in the middle of the floor  
Not going left - not going right  
    I dim the lights and think about you  
    Spend sleepless nights to think about you  
    You said you loved me, or were you just being kind?  
    Or am I losing  
    Losing my mind?  
All afternoon doing every little chore  
The thought of you stays bright  
Sometimes I stand in the middle of the floor  
Not going left - not going right  
    I dim the lights and think about you  
    Spend sleepless nights to think about you  
    You said you loved me  
    Or were you just being kind?  
    Or am I losing my mind?  
    Or am I losing my mind?  
    You said you loved me  
    Or were you just being kind?  
    Or am I losing my mind?  
    Or were you just being kind?  
    Or am I losing my mind?  
    Losing my mind?  
    Losing my mind?  
    Losing my mind?  
    Losing my mind?  
    Losing my mind?
