TAKE THAT

Help me escape this feelin' of insecurity

I need you so much but I don't think you really need me

But if we all stand up in the name of love

And state the case of what we're dreamin' of

I've got to say I only dream of you

But like a thief in the night you took away the love that I knew

Relight my fire, your love is my only desire

Relight my fire cos I need your love

Turn back the times 'til the days when our love was new

Do you remember

No matter what was happenin', I was there with you

But if we all stand up for what we believe

And maybe live within our possibilities

The world would be wild for the dream

So baby don't turn away, listen to what I gotta say

Relight my fire, your love is my only desire

Relight my fire cos I need your love

Relight my fire, your love is my only desire

Relight my fire cos I need your love, yeah

You gotta be sure enough to walk on through the night

There's another new day on the other side

Cos I got hope in my soul I keep on walkin' baby

Relight my fire, your love is my only desire

Relight my fire cos I need your love

Relight my fire, your love is my only desire

Relight my fire cos I need your love, yeah
