

# Various, Tomorrow Cabinet

BETTE MIDLER

I see so many golden women  
When they walk their feet don't  
Touch the ground  
How I want, How I want to deserve you  
Me I'm always out of rythm  
My needs to demanding, too proud  
How I want, How I want to deserve you  
I did not want you to see me like this  
lying in the dark and being cruel  
How I want, How I want to deserve you  
And if I could be granted a wish  
I would shine in your eyes like a jewel  
How I want to deserve you  
I would die for you  
Could you love me that much  
How I want, How I want to deserve you  
Yes, you tell me this  
And I want to believe that it is true  
How I want  
How I want to deserve you  
I did not want you to see me like this  
I am weak and I fight like a fool  
How I want  
How I want to deserve you  
And if I could be granted a wish  
I'd shine in your eyes like a jewel  
How I want to deserve you  
If I could be your rainbow,  
I'd trade in my arms for sunbeams  
To keep you close to me  
And if I could trade my voice  
for the silence I know that you need  
How I want  
How I want to deserve you  
I did not want you to see me like this  
So frightened of losing so soon  
How I want  
How I want to deserve you  
And if I caught our love in a bridge  
Just tell me without shaking lose  
How I want to deserve you
