

# VAST, One More Day

Have you heard  
Have you tried to understand  
It's all right  
It gets easier with time  
How are you  
Are you ever coming back  
I have changed  
And I've realized I was wrong  
I was wrong  
Now I'll never see your face anymore  
Oh my Love  
I'd give anything for one more day with you  
I'm getting through  
I wish you felt the way I do  
I have changed  
And I've realized I was wrong  
I was wrong  
Now I'll never see your face anymore  
Oh my love  
I'd give anything for one more day with you
