

Vaults, One Last Night (From Fifty Shades Of Grey)

Tied to a sorrow heart
Why does he want to bring me where he goes
Oh and to find out the reasons why
It's enough to make you wanna try
For one last night

Ghosts and silhouettes
They take a piece of me they want it all
But to wait in an empty room

With the feeling that is closing in.

I had a dream I was dying
But I found nobody there
And if one last night is all that we've been given
Let's live it like we care

For one last night
For one last night

Broken upon the rocks
Let the beating waves
Come drag me down
But to find out the reasons why
It's enough to make you wanna try
For one last night

I had a dream I was dying
But I found nobody there
And if one last night is all that we've been given
Let's live it like we care

For one last night
For one last night
For one last night
