

Vaya Con Dios, Evening Of Love

How could she let a man like you
Slip through her fingers?
I guess she didnt know
A good man is hard to find
I would have cherished and treasured that love
If I had been her
I would have thanked the Lord
Every morning for making you mine

Baby, why dont you spend
An evening of love with me?
A moment of tenderness
Aint it just what we both need
Lets make it
An evening of love to remember
An evening away from the past
Oh, baby
Maybe tomorrow youll wake up to find
You dont need her
Maybe youll realize
You never did
Im gonna hold you real close to my heart
Say the words that will heal you
Im gonna show you babe,
Show you how good it can feel
