## Vaya Con Dios, Evening Of Love

How could she let a man like you Slip through her fingers? I guess she didnt know A good man is hard to find I would have cherished and treasured that love If I had been her I would have thanked the Lord Every morning for making you mine

Baby, why dont you spend An evening of love with me? A moment of tenderness Aint it just what we both need Lets make it An evening of love to remember An evening away from the past Oh, baby Maybe tomorrow youll wake up to find You dont need her Maybe youll realize You never did Im gonna hold you real close to my heart Say the words that will heal you Im gonna show you babe, Show you how good it can feel
