

VeggieTales, The Chocolate Factory

Laura: Good morning, George, how are you?

I hope you're feeling fine

I'd like to stay and talk, but it's almost 8 o'clock

And I haven't got the time!

George: See ya later!

Laura: Because we work real hard at the chocolate factory

We start at 8, and we don't get lunch till 3

I've got to drive a truck to make a buck

So I can send it home to my family!

Mr. Lunt: Well now you are in trouble

Your timecard is a wreck

It's almost two past eight

I'll tell Nezzzer that you're late

And he'll take it from your check!

Laura: Yes, Mr. Lunt...

Mr. Lunt: Oh, yes, we work real hard at the chocolate factory!

Pea: Excuse me, Mr. Lunt, but I've got an injury!

Mr. Lunt: Now get back on the line

You'll be just fine!

With all this work to do we've got no time for sympathy!

Larry (Benny): We use to be so happy

Bob (Rack): We use to laugh and run

Junior (Shack): Now there's no time to play

'Cause we gotta work all day

And it isn't very fun!

Bob: I'm Rack!

Junior: I'm Shack!

Larry: I'm Benny!

Bob, Larry and Junior: We work here in the plant.

We'd like to take a break, for goodness sake

But Mr. Nezzzer says

Mr. Lunt: You can't! Ha!

All workers: We all need a vacation

Our schedule is severe

We're getting very tired,

But stopping gets us fired

So we'll have to stay right here.

Because we work real hard at the chocolate factory

We start at 8, and we don't get lunch till 3

We work the whole week through to make a buck or two

So we can send it home to our families!

Some day they'll come and join us

We'll live in harmony

We hope that day is near,

Until then you'll find us here

At the Nezzzer Chocolate Factory!
