

# Veil Of Sorrow, Well Of Broken Wishes

The emptiness in me  
A wish is not enough  
When words have all been said  
When truth has sealed my fate

And the distant memories  
Of a time so faraway  
Of careless days ahead  
The youth that knew no plague

Somehow I lost control  
Somewhere along the road  
I wish there was a way  
To turn back time

Well of broken wishes  
Known to some as life  
The heart lost in darkness  
Repels the light of day
