

Velasquez Regine, My Love Emotion

Here I am, slave to my routine
Here I am, longing to fly
Like a bird, heading for summer
Like a child, questioning why
A feeling inside
That won't be denied
Set me free, My Love Emotion
Make me feel, I am alive
Lift me up, My Love Emotion
Burn my soul, give me your song
Wake up my heart, My Love Emotion shine on
Here I am, on the horizon
Mountains high, sharing the blue
That's my face, there in the windscreen
Staring back, thinking of you
Somewhere to hold
Somewhere to love
Set me free, My Love Emotion
Make me feel, I am alive
Lift me up, My Love Emotion
Burn my soul, gentle and strong
Wake up my heart
Where has all the love gone
Where is all the good evening news
Where has all the love gone
Where is all the passion and truth
So easy to lose
Let Love Emotion shine through
Put words in my mouth
Straight from my heart
Set me free, My Love Emotion
Make me feel, I am alive
Lift me up, My Love Emotion
Burn my soul, give me your Emotion
Set me free, My Love Emotion
Make me feel, I am alive
Lift me up, My Love Emotion
Burn my soul, gentle and strong
Wake up my heart, My Love Emotion shine on
