

Velvet Chain, Walk On Water

J. stacy / e. amato

You could walk on water baby, ohh yeah... if you could walk away from me...

You could move a mountain baby, ohh yeah... if you could ever -- move me...ohhhhhh, ohh yeah...

You could tame a tiger baby, can't you see... might not be enough, for me... ohhhhhh, ohh yeah...

You were alone, when you were falling... heaven knows, the chips are falling now... all alone... cau

You'll be waiting 'round forever... if you're waiting 'round on me... you could light the world on fire...

In the middle of a thousand people, oh yeah... you will only see me...

You could have a thousand lovers, oh yeah... it will always be me...

Ohhhhhh, ohh yeah...
