

Velvet Chain, You Remind Me

You remind me
Of all the good things
You remind me
Of all my favourite memories

?Lately I've been finding that
You and me never fight?
If I wake in the night
There's nothing like the sight of you

You preferred it all before
And you still want more
You remind me
That I'm your family

You supply me
With every kind piece of love
That you could ever find

Ooh, ooh, ooh, ooh

Ooh, ooh, ooh, ooh
