

Velvet, Rock Down To [Electric Avenue]

Word is out, gets around
There's a rumble from the sky to the ground
You we're lost, now you're found
All the voices make a beautiful sound
So come on, everybody
We are gonna loose it
I know you'd like to tag along
So come on, everybody
Listen to the music
I know it's gonna turn you on
We're gonna rock down to electric avenue
And then we'll take it higher
It's all right, to be wrong
But it ain't okay to pass it along
It's a fight to be strong
But you're standing and you're singing the song
So come on, everybody
We are gonna loose it
I know you'd like to tag along
So come on, everybody
Listen to the music
I know it's gonna turn you on
We're gonna rock down to electric avenue
And then we'll take it higher
