

# Venetian Princess FT. M!styc, I Kissed A Girl [Eld

[Verse 1]

It was my boyfriends family, not something crazy.  
He took me to meet his old granny, then something phased me...  
Shes not like most elderly she kept staring from behind the chips.  
I went to kiss her on the cheek and she went for my lips!

[Chorus]

I kissed a girl and i liked it.  
Taste of her denture cream.  
If i had a drink  
She would have spiked it,  
But its okay with me.  
I wasn't enticed,  
I found my vise,  
I wish she had planted one on me twice.  
It was my sin, soft wrinkled skin  
Stretched saggy chin, a toothless grin.

[Verse 2]

No i don't even know her age.  
It doesn't matter  
Lock me inside an iron cage  
It will not shatter  
This burning flame it cant be tamed  
No i cannot resist  
Her snow white hair, vintage wheelchair  
Sparks flew the moment we kissed

[Chorus]

I kissed a girl and i liked it.  
Taste of her denture cream.  
If i had a drink  
She would have spiked it,  
But its okay with me.  
I wasn't enticed,  
I found my vise,  
I wish she had planted one on me twice.  
It was my sin, soft wrinkled skin  
Stretched saggy chin, a toothless grin.  
I don't know what happened to me,  
My taste went from Brad Pitt to granny's.  
Walkers, dentures and hearing aids.  
I like my ladies older by decades.  
ooh ohohoh ooh ohohoh ooh  
ooh ohohoh ooh ohohoh ooh  
Security!!!
