

# Vengaboys, Cheekah Bow Bow

I saw you in the disco  
Last night in San Francisco  
The way you used your joystick  
It really makes my mouse click

Come sit down on my laptop  
Lets do a little hiphop  
Let's go into a chatroom  
And do a little boom boom

I saw you in the disco  
Last week in San Francisco  
The way you used your joystick  
Has really made me feel sick

The doctor checked my harddrive  
A virus in my archive  
My disc was not protected  
And now I am infected
