

# Vengaboys, Cheekah Bow Bow (That Computer Song)

Vengaboys are rockin' the house

I saw you in the disco  
Last night in San Francisco  
The way you used your joystick  
It really makes my mouse click

Come sit down on my laptop (cheekah bow bow)  
Lets do a little hiphop (cheekah bow bow)  
Let's go into a chatroom (cheekah bow bow)  
And do a little boom boom (cheekah bow bow)

Cheekah bow bow  
Cheekah bow bow  
Cheekah bow bow  
Cheekah bow bow

I saw you in the disco  
Last week in San Francisco  
The way you used your joystick  
Has really made me feel sick

The doctor checked my harddrive (cheekah bow bow)  
A virus in my archive (cheekah bow bow)  
My disc was not protected (cheekah bow bow)  
And now I am infected (cheekah bow bow)
