

Vengaboys, Vengababes From Outer Space

Oh weh oh
Oh weh oh
Oh weh oh

Something special's in the air this evening
Everybody's looking at the sky
Messages that we have been receiving
Vangababes are here to take you high

Oh weh oh
It's a cosmic celebration
Oh weh oh
Vengababes are here to stay
Oh weh oh
Get ready for the bass invasion
Oh weh oh

We are the

Vengababes from outer space
Here to save the human race
Happy face, just pump the bass
Gonna make this world a party place

Now you know that we are taking over
And there is no need to be afraid
Just come and join the fun, don't think it over
Everybody get up and celebrate (everybody get up and celebrate)
