

Vennaskond, Anarchy

Open up
Your
Personal sense,
There're no musts
And oughts
For you.

Only so you
Can see difference
What is bad
And
What is good.

That's the on-
Ly
Just enactment
What is in
Your blood
And bones.

Just one order,
Just one judgement.
You have to
Be
On your own.

Those who have
The
Jurisdiction,
Shape your run
And get
You down,

Will eat up their
Interdiction
Finally
And
Tire down.

We believe in Anarchy.
