

# Vent, Only Human

This could be unsung before I reach that hell  
You trust in me, I'll trust in you  
But remember, I'm only human

Before you lose your faith in me  
Before you doubt  
Before you lose your faith in me  
Please hear me out

Two seconds or a lifetime  
Do they compare?  
I've lost nothing to "before";  
But remember, I'm only human

You really think I would waste my time?  
Am I impure?
