

Vent, When I Drown

We don't need to
Let the sand fall through our hands
Why do you disregard my life?

I rise up when I drown
The water is thicker
I rise up when I drown
And swim to the surface

Thinking of you
Brings me down

How could you pull the plug
And replace me with someone else?

Have you ever wondered about me?
Did you lose your feelings?
Or forget what my name is?
Did you lose your feelings?
Have you ever wondered?
Well, have you?
