

Vera Lynn, Drifting And Dreaming

Drifting and dreaming
Sweet paradise

Drifting and dreaming
While shadows fall
Softly at twilight
I hear you call

Love's old sweet story
Told with your eyes
Drifting and dreaming
Sweet paradise

Drifting and dreaming
While shadows fall
Softly at twilight
I hear you call

Love's old sweet story
Told with your eyes
Drifting and dreaming
Sweet paradise

Drifting and dreaming
Sweet paradise...
