

Vera Lynn, It Hurts To Say Goodbye

Vera Lynn - It hurts to say Goodbye

Take me in your arms and hold me tight,
tell me that your love is mine tonight,
say that everything will turn up right,
it hurts to say goodbye.

Let me know the thrill of your embrace,
memories that time can not erase,
why'd I kiss the teardrops from your face,
it hurts to say goodbye.

Wherever you are,
you will always be near to me,
wherever I go,
you'll be here in my heart.

Till the sun comes shining through again,
till we see a skie of blue again,
till I'm back with you, my loved, till then,
it hurts to say goodbye.

Wherever you are,
you will always be near to me,
wherever I go,
you'll be here in my heart.

Till the sun comes shining through again,
till we see a skie of blue again,
till I'm back with you, my loved, till then,
it hurts to say goodbye.
Till I'm back with you, my loved, till then,
it hurts to say goodbye.
