

Vera Lynn, Winter Wonderland

Over the ground lies a mantil of white
A heaven of diamonds shine down through the night
Two hearts are thrilling in spite of the chilling weather

Love knows no season, love knows no clime
Romance can blossom any old time
Here in the open, we're walking and hopin' together

Sleigh bells ring, are you lis'nin'
In the lane, snow is glis'nin'
A beautiful sight, we're happy tonight
Walking in a winter wonderland

Gone away, is the bluebird
Here to stay, is a new bird
He sings a love song, as we go along
Walking in a winter wonderland

In the meadow we can build a snowman
Then pretend that he is Parson Brown
He'll say are you married? We'll say no man
But you can do the job when you're in town

Later on, we'll conspire, as we dream by the fire
To face unafraid, the plans that we made
Walking in a winter wonderland

In the meadow we can build a snowman
And pretend that he's a circus clown
We'll have lots of fun with Mister Snowman
Until the other kiddies knock him down

Later on, we'll conspire, as we dream by the fire
To face unafraid, the dreams that we made
Walking in a winter wonderland
Walking in a winter wonderland
Walking in a winter wonderland ...
